

International Conference on
**AI SYSTEMS AND
SUSTAINABLE
TECHNOLOGIES**

CALL FOR PAPERS

IISU-ASSET 2025

28-29 March 2025, Jaipur, India

IIS (deemed to be University), Jaipur

Key Dates to Remember

Last date of Manuscript Submission:
January 30, 2025

Notification of Acceptance:
February 20, 2025

Camera Ready Paper Due:
Within 10 days of Notification of acceptance

Event Details

Date: 28-29 March 2025

Location: IIS (Deemed to be University)
Jaipur, Rajasthan, India.

Mode: Hybrid

Proceedings of IISU-ASSET 2025 will be published in Springer Nature's Scopus/SCI indexed book series "Lecture Notes in Networks and systems" (<https://www.springer.com/series/15179>)

Dear Colleagues,

We are pleased to warmly invite you to the International Conference on AI Systems and Sustainable Technologies (IISU-ASSET 2025). The conference will be hosted by the Department of CS & IT, School of CS & IT of IIS (Deemed to be University) and is scheduled to take place on March 28-29, 2025.

This conference aims to explore the transformative potential of artificial intelligence (AI) and sustainable technologies in shaping a secure, sustainable, and equitable future, with a focus on driving innovation while prioritizing ethical standards and positive societal impact. Researchers, academicians, industry representatives, government officials, students, and other stakeholders in the field will have the opportunity to explore prospects, disseminate and gain useful knowledge from the various issues discussed in the papers presented on the conference themes.

Scope & Tracks (Not limited to)

- AI/ML applications for Sustainable Development
- Computational Biology and AI for Sustainable Healthcare and Wellness
- Security and Resilience in Sustainable AI Systems
- AI-Driven Multimedia and Animation for Sustainability
- Human-Centered AI and User Experience
- Management Practices in AI-driven Industries and Applications
- Ethical, Social and Environmental Implications of AI-driven Sustainability
- Sustainable Practices and Technologies for a Greener Future
