Discipline of Statistics and Mathematics, Session 2022-23
Report
Guest Lecture on “Randomized Response Survey on Sensitive Variables”

Date- 4th November 2022

Venue-Ojas

Speaker- Prof. Mausumi Bose- ISI, Kolkata

Beneficiaries-42

On the occasion of Azadi ka Amrit Mahotsav, a guest lecture was organized by Discipline of Statistics and Mathematics on 4th November 2022 for UG and PG students. It started with the welcome address given by one of the student of department.

The speaker explains the basic details on the randomized response survey, on sensitive variables and the difficulties while surveying sensitive variables and also spoke about randomized device by giving appropriate examples.

She was very interactive with the students. After the lecture students were given time to interact with her. Students felt the session was more interactive and informative.

After the session was completed, thank you speech was given to the speaker for acknowledging students on such a great topic on behalf of Department of Statistics (IISU).
