### TESTIMONIAL

“

”

*Ashok Singh Chauhan*

TORTOISE LIVELIHOOD PVT. LTD.

I will share my insights on why internships are a crucial stepping stone for young individuals seeking to pave their path to success. It gives exposure to students where they learn beyond the classroom, can explore different Industries to work, they can develop hand and soft skills, expand Networking opportunities, they can land their dream job by adding substance to resume building, interns also gain a sense of accomplishment and self-assurance, can gain industry insights which ultimately creates a pathway to employment.

### TESTIMONIAL

“

”

*Shishir Mishra*

INDIA POST BANK

Students have successfully completed their internship from our organization. Their work is appreciable. They all are good in grasping things and have made positive contribution to our organization including in mobilizing business etc.

We wish they have a bright future ahead and will be great assets to the organization.

With best wishes for their future endeavours.

# MBA INTERNSHIP JUNE 2023

## Prof. M.K. Sharma

Dean, School of Commerce & Management

Since inception, IISU Jaipur aims to incorporate a holistic approach to management education through its MBA Program. The school of Management has seven core specializations to offer, which include Human Resources, International Business, Tourism, Finance, Innovation and Entrepreneurship, Advertisement, Retail and Business Analytics. Through grooming within the classes IISU intends to contribute to the Indian economy by preparing ready to work graduates who are adapt to take up challenges in the corporate sphere. The Department has always reveled in its internship record. Our internships has always been near 100%.

## Prof. Deepika Singh

Director, School of Management

Corporate and Industry associations form a significant part in the school of management journey. At IISU Jaipur, we have collaborated with a wide array of corporate houses and industries wherein students explore their caliber through education and training programmes, management development programmes, and live projects that are mutually beneficial for both the stakeholders.

## Dr. Roopam Kothari

Head, Department of Management Studies

Assisted by the experienced faculties and trained by experts, our students hone their skills in group discussions, public speaking, aptitude training, communication skills, and much more. We also encourage student participation in events and programmes which help them in gaining industry exposure. We look at a progression of students where our industry partners get to match their needs with the career goals.

## Dr. Purnima Sharma

Sr. Assistant Professor & Placement Coordinator, Dept. of Management Studies

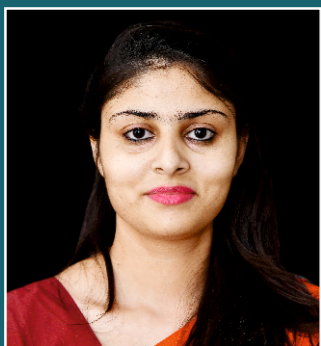

As professionals after graduating, our students have contributed immensely towards our countries and societal growth and this will only increase in future. As Internship and Placement coordinator of the department I worked hard to ensure that our students well get their dream organization to work and for internships. Best wishes to all for their future.

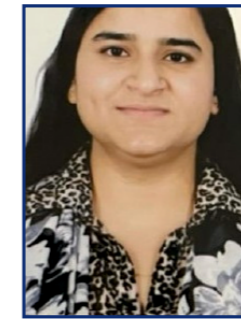

## Dr. Khushbu Bhardwaj

Placement Officer

The Placement Cell is devoted to helping you carve the path for a prosperous future. Our mission is to connect you with companies, internships, and career development resources that support your ambitions and skills. Remember, your success is our success. The Placement Cell is fully committed to helping you realize your ambitions and secure a bright future. My gratitude is due to our regular recruiters who have shown consistent faith in the university's value system. Also, with great warmth, I cordially welcome our new recruiters who have joined us and look forward to an everlasting synergetic relationship with them. Let's get on in this journey together and make this year one of remarkable one!

## THE INTERNSHIP HAS TO BE MEANINGFUL AND MUTUALLY BENEFICIAL TO THE INTERN AND THE ORGANIZATION

Internships are educational and career development opportunities that provide practical experience in a field or discipline. They are structured, short-term and supervised placements, often focused around particular tasks or projects with defined timescales. An internship may be compensated, non-compensated or some time may be paid. The internship has to be meaningful and mutually beneficial to the intern and the organization.

At the end of the second semester examination, it is mandatory for every student pursuing MBA to undergo on-the-job practical training in any organization of her choice. The training must be of 6 to 8 weeks' duration. During the training, the student is expected to learn about the organization and analyse and suggest solutions to a live problem. The objective is to equip the

students with the knowledge of actual functioning of an organization and problems faced by them for exploring feasible solutions.

The student, after the completion of training will submit a detailed report which will form a part of the third semester examination. She will be required to make the presentation of the work followed by viva-voce. The students are required to submit a certificate from the organization regarding successful completion of internship.

At IISU, we follow the AICTE Internship Guidelines in all the MBA programmes

Simply put, through internships or experiential education, students learn by doing. Summer Break Starts from May till 45 days or even longer, depending on your project needs and the company's policy.

IIS (deemed to be University)
